

THE TORCROFT ★★★★★

#### Directions by car/bike:

Take the M5 south and then follow the A38. Take the A380 to Torquay and follow the signs to Torquay. When you reach a junction at Torre Station (Halfords store is on the right), take the right-hand lane into Avenue Road all the way down to the seafront. Turn left at the seafront (admiring the view as you go) and keep in the left-hand lane. At the first set of traffic lights go straight up Sheddon Hill (the middle option) and follow it round the bend. Croft Road is the first road on the left, and the Torcroft is the second building on your right. There is ample parking in the drive.

#### By train:

There are regular services into Torquay (probably requiring a change at Newton Abbot). Rail enquiries: 08457 48 49 50. We would advise taking a taxi from the station (Torbay Cabs: 01803 292 292).

#### By coach:

National Express run regular services to Torquay from around the country.
